

SCADRA is a small, friendly British Riding Clubs Affiliated Riding Club mainly comprising of horse owners and their families who live in and around the Stoke Climsland/ Kelly Bray/Callington areas.

Our aim is to have fun with happy horses!

We run various events and competitions throughout the year that are all very relaxed, low key events. The object of our events is to have fun in unpressurised environments - ideal for young/novice/nervous horses and/or riders.
